

## Deepest Desire by Matthew Wright

### Deepest Desires

is a Tarot themed magic trick project like no other. The main route included is a hilarious piece of comedy gold that never fails to get a massive reaction. Perfect for your friends down the pub, stag parties, hen nights or that extra special group of people you know are up for a laugh. At the right moment, Deepest Desires is absolutely perfect.

But the project doesn't stop there. Creators Matthew and Sven wanted to expand the project beyond moment of incredible laughter and make sure that you could perform more serious and bone chilling effects. That's why also included with the main deck is a full deck of bonus cards. A one way deathforcing deck, a 3 card monte style effect plus routines that take the tarot in a direction seldom seen.

There truly is something for everyone the box.

Whether you are looking to give your magic a darker touch of the bizarre or want to leave your audience with a belly busting laugh....or both! Deepest desire will not leave you disappointed.

Very easy to do and comes complete with an hour of explanations and routines.
