

## Free Hands by Patricio Teran and JT Magic

A hands-free visual transformation you can perform anytime.

A question mark card is clipped to your shirt. A card is selected by the spectator. You turn around... and without touching anything, the question mark card visibly transforms into their chosen card.

**Simple. Direct. Impossible.**

### Key Features

- Perform the effect without using your hands
- A clear and visual card transformation
- The selected card can be given away at the end
- Works with almost any jacket
- Easy to learn and perform
- Designed for real performance situations
- No magnets, no flaps, no camera tricks

### What's Included

- Special gimmicked card
- A finely crafted tie clip
- Ready to perform out of the box

A practical and elegant piece of magic that fits naturally into your performance-anytime, anywhere.
