

Bicycle Bijou Karman Purp/Red Box Set by US - Pokerdeck

Bijou Karman is an artist and illustrator from Los Angeles. She is inspired by nostalgia, strong women, plants, and a love of print and bright colors. Karman splits her time between illustration and painting original pieces centered around women and fashion.

Her illustrations appear in magazines, books, and advertising for clients such as The New Yorker, Rolling Stone, Harper's Bazaar, Penguin, and National Geographic.

Limited Edition Boxed-Set: Two decks of playing cards in a book-style box with linen texture exterior and full color printed insert.

Premium Tucks: Each tuck features two of Bijou Karman's most iconic works with silver foil and interior printing.

Each Card is a Work of Art: Each card face features works from Bijou Karman's portfolio.
