

The Magic Markers by Murphy's Magic

What if the pen your spectator used to sign their card was also the secret to the miracle?

With **MAGIC MARKERS**, you get four professional pens, each hiding a powerful revelation:

- Three pens are boldly printed with different playing cards.
- The fourth reads simply: "Your Card."

Effect: Your spectator freely chooses a card, signs it, and later in the evening, discovers the prediction was on the very pen they held the ENTIRE TIME!

Magic Markers are more than just a single trick, they're a creative tool.

- Direct, impossible predictions.
- Multi-layered revelations that build suspense.
- Casual, off-the-cuff miracles that feel organic and unplanned.
