

Mortenn's Deck Switching Shell (Red) by Mortenn Christiansen and CrazyJokers

"Mortenn's simple solution is a moment of genius that elevates this tool for anyone seeking the most practical and elegant solution" - R. Paul Wilson

"Love it. I want one, it will go directly into my show" - David Stone

"This is the best deck switch for stand-up and parlour magic" - Hector Mancha

"Just take this double world champions material. He fooled me, then explained it to me, then fooled me twice 10min. after the explanation, with the same thing." - Markobi

*"A deck shell you can keep in your pocket, DROP ON THE TABLE without any fear... AND LIFT IT AGAIN WITH TWO FINGERS ONLY... and it s always ready to use??? And it also work standing up or at the table???? This is brutal!. Magicians are id*** if they don't buy it" - JB Dumas*

If this is what some of the most renowned minds in the world of magic think, just imagine what your spectators will think when you perform true miracles -after switching the deck right in front of their eyes- without anyone suspecting a thing.

Discover **Mortenn's Deck Switching Shell by Mortenn Christiansen & Crazy Jokers**, the ultimate tool to switch decks in full view, without raising the slightest suspicion.

Imagine being able to switch an entire deck right in front of your audience, at the most impossible moment, with complete naturalness. No strange moves. No awkward cover. Just clean, direct, and utterly deceptive magic.

This is not just a simple tool. It's a professional system designed for magicians who want real impact under real conditions.

For years, great magicians like Greg Wilson (*Cold Case*), Christian Engblom (*The Cooler*), and Dean Dill (*Blizzard*) have worked with the concept of a deck shell to switch one deck for another in full view, creating true masterpieces of magic.

With **Mortenn's Deck Switching Shell**, you'll be able to keep a deck ready and secure in your pocket, switch it in full view, and hold the shell with just two fingers-completely safely. This opens the door to countless new handlings and, above all, gives you the confidence to perform it at any moment in your show, again and again.

It includes several professional routines from the working repertoire of FISM double world champion Mortenn Christiansen, ensuring not only powerful effects, but also real-world effectiveness. Perfect for close-up, parlor, and even stage performances.

Still, this project goes far beyond the gimmick: you'll receive a deeply detailed and professional tutorial where Mortenn shares everything-timing, presentation, gags, and structure-exactly as he has refined them throughout his career.

Please note: *Todo Mortenn's preferred handling, you need a shell in the opposite color of the deck you are using.*

Mortenn's Deck Switching Shell is not just a tool. It's not just a tutorial. It's the best deck shell on the market-and a unique opportunity to learn directly from one of the world's finest magicians.
