

The Examiner: Special Edition by John Graham

Introducing **The Examiner: Special Edition**

The 100% Examinable Torn & Restored Newspaper

John Graham has reimagined the classic torn-and-restored newspaper effect for modern performers.

The Examiner: Special Edition is not just a routine - it's a complete, practical, and foolproof solution that works with a standard newspaper.

Why magicians love it:

- No glues, wires, or magnets
- No palming, pulls, or special clothing required
- Sets up in 1 minute
- Newspaper can be examined
- Spectator can keep the marked newspaper
- Everything fits in a compact container for easy transport

What you get:

- Step-by-step video tutorial
- Precision-engineered gimmick
- Pre-set example newspaper and marker for faster learning
- Everything packaged to slip into your show case or close-up kit

The Examiner: Special Edition

delivers a strong, clean impact every time - a newspaper is torn, restored, examined, and entirely under your control. Perfect for stage, stand-up, or close-up, this effect is ready to perform at a moment's notice.

"The FIRST major improvement on this crowd-pleasing effect in decades, and I'm proud to feature it in my show. My highest recommendation!"

- **Damian**

"I've seen John Graham obsess over the smallest details because he wants his

audience to experience true wonder. This is magic created with thought, integrity, and love for his art."

- **Jeremy Dutcher**

"What amazes me about The Examiner: Special Edition is not only the cleverness of its mechanics, but the deceptive psychology."

- **Tzvi Hilsenrath**

"When we were filming this project, John fooled me during the explanation!"

- **Charlie Phillips**
