

Cthulhu:Hyades Shade Collectors Set by King Star - Pokerdeck

Strange is the night where black stars rise, And strange moons circle through the skies, But stranger still is Lost Carcosa.

Limited Edition Hyades' Shade Collector's Box is our best collector's box yet, filled with foils and UV colors that bring the designs to life. It includes 3 decks, The Star Devourer, Pleiades Glow, and Emerald Illusion.

Under UV light, the muted and dark colors suddenly come to life, transferring you to a strange new world filled with madness...

The 1st deck within the **Hyades' Shade Collector's Box**, The Star Devourer is themed with red and black colored foils, showcasing its mystical aura. Under UV light, the madness arises from within...

The 2nd deck within the **Hyades' Shade Collector's Box**, Pleiades' Glow is themed with gold and black colored foils, elevating itself to a higher dimension. Under UV light, the madness grows even further...As the centerpiece of the collector's box, fittingly, Pleiades' Glow is also gilded with a shining gold color.

The 3rd deck within the **Hyades' Shade Collector's Box**, Emerald Illusion is made with green and black foils, forever mystifying. Under UV light, the deck invites you into an illusory realm...
