

## Super Spongy Duckies (4)

Freshen up your dusty old Sponge Ball routine and make a SPLASH with **Super Spongy Duckys!**

These sponge duckys look just like and are made to resemble the classic yellow rubber duckys and are sure to brighten up any magician's sponge ball routine!

Perfect to adapt to your current sponge ball routine these Sponge Rubber Duckys open up so many possibilities for magic routine presentation ideas such as:

- Using a wooden duck call as a "magic wand" for various moves and making it "quack" for the magic moment
- Using Dan's Super Sonic Squeakers to make them "squeak"
- So many lines like "this trick quacks me up!", "...the magic words duck, duck, GONE!", "...they've headlined bathtubs around the world", and more
- Use the magic appearing bubble then blow more bubbles to pop one and produce the rubber ducky
- Do the "Jeep Wrangler wave" to make them appear, disappear, multiply etc

Each pack contains four **(4) Super Spongy Duckys** measuring 1.5in wide x 2in deep x 2in tall with video instructions including Dan's original Super Sponge, Sponge Ball Routine that can be adapted to any of his Super Sponge props!

Order your pack NOW, no Jeep Wrangler required!
