

Ultimate Prédiction (Red) by Jean Pierre Vallarino

A prediction remains in full view from start to finish and perfectly matches a freely chosen card with no force and no complex technique.

A CLASSIC BY VALLARINO

Here is the ultimate version of an iconic effect by Jean Pierre Vallarino. A prediction is placed in full view from the very beginning and never moves. The entire routine builds around a sequence of coincidences leading to a powerful final moment.

A TRULY FREE CHOICE

The spectator selects a face up card from the deck with complete freedom. No force and no complicated handling. The chosen card perfectly matches the prediction that has been visible from the start.

SIMPLE YET DEVASTATING

The gimmick is clever and easy to handle. No difficult sleight of hand and no heavy memorization. A clear powerful and accessible effect carrying the signature of a respected name in French magic.

Key Points:

- No force
- Visible prediction
- Clever gimmick
- Easy to perform
