

PRO SILK XXL HEART STREAMER 50 foot X 6.5 inch by Murphy's Magic

Murphy's Magic professional silk streamers

are built for maximum visual impact and dependable performance. Lightweight yet durable, they compress down small for easy concealment and expand into long, flowing displays of vibrant color that instantly capture attention.

Designed for versatility, these streamers are available in a range of lengths and bold color combinations, perfect for productions, transformations, blendo-style effects, and dramatic stage visuals.

From intimate close up settings to full stage performances, streamers remain one of the most striking and practical tools in a magician's repertoire.

Features

- Rich, vivid colors that stand out under stage lighting
- Packs small for clean, deceptive handling
- Expands into long, flowing visual displays
- Smooth handling for reliable, repeatable performance
- Multiple lengths and color options available
- Durable construction built for real-world use

A powerful and versatile utility prop for magicians at any level.
