

Trisection by Mickael Chatelain

You will not be able to resist this trick, it's so convincing! Whether it's a close-up or on social media, show off this trick by Mickael Chatelain!

100% Ordinary Card -An incredible illusion!

Introducing TRISECTION by Mickael Chatelain.

"I've always had a weakness for grand illusions, especially the zigzag woman! So, I've developed an incredible illusion! Ideal for your close-up, in front of your spectators, this new trick is simply INCREDIBLE!

In front of your spectators, you ZIGZAG a 100% ORDINARY card! Then put it back in its original position and immediately present it for examination without any change. It's a 100% ordinary card, without any manipulation!"

Highlights points:

- Super easy to present.
- No manipulation.
- 100% ordinary card.
- Instant reset.
- Incredible illusion.
