

## Streamlined 2.0 by David Penn & TCC Magic

Direct mind reading has never been easier to perform.

Completely sold out at The Blackpool Magic Convention, Streamlined 2.0 is now available through TCC Magic, presented by David Penn.

You place your wallet on the table in full view. Your spectator chooses a card. You open the wallet, revealing a single envelope inside. When you open the envelope, there's just one card—it's the exact card they chose.

Retaining its ingenious design, Streamlined 2.0 is now crafted with TCC's finest leatherwork. Made from carefully selected top-grain leather with precision stitching, every detail enhances the quality of your performance. The gimmick envelope has also been redesigned for even greater refinement!

A powerful bonus: Using the built-in index, David Penn has created a devious way to hand out your business card—one that ensures spectators remember you forever.

After revealing their thought-of card, you casually point to a single business card inside the wallet. As an afterthought, you hand it to the spectator. Only later do they realize—you predicted their choice all along. And naturally, they keep your card...
