

Instant Backdrop

Here's the perfect "stage backdrop" for the illusionist who wants to project professionalism instantly. The sturdy metal frame sets up (and comes down) in just a few seconds, and one person alone can do it.

- When open, the backdrop measures approximately 214 cm (w) x 229 cm (h) x 29 cm (d).
- Included in the price is also a handy carrying bag that holds the backdrop.

NOTE: With this version, the backdrop cover fabric is not included.
