

Extens by Victor Zatko

EXTENS is the new way to visually bend a playing card with your fingertips. This precision handmade gimmick allows for pure, effortless visual magic, perfect for both close-up performances and social media.

As soon as you receive it, you're already ready to perform it, and trust us... you will!

- Visual.
- Easy.
- Ready to use right out of the box.
- No rubber bands.
- No thread.
- No reset.
- Multiple presentations explained.
