

Card Case to M&M's

Imagine showing a classic Bicycle card case... and then, with a simple gesture, right before the audience's astonished eyes, the impossible happens: the case visibly transforms into a brightly colored candy pack!

A direct, surprising, and highly visual effect, perfect for grabbing attention in any situation. Ideal for close-up, street magic, or social media performances, this effect combines ease of use with a knockout impact.

- Visible and instant transformation.
- An everyday object turns into pure magic.
- Perfect for amazing any audience.
- Compact and always ready to use.
