

Mysterious Cardboards

The magician shows a set of four colorful cardboards, each fitting neatly inside the other.

He slips a plain white sheet into the last one, closes everything, and with a magical gesture... the paper turns into a real €50 banknote!

With **Mysterious Cardboards**, you can transform anything:

a blank card into a chosen card,

a note into your business card,

a coin into a banknote...

Easy to do, amazing to watch.

A true miracle packed in a colorful, eye-catching box!
