

## Bicycle - Johnny The Monkey

Johnny the Monkey – The Second Chapter in an Irresistible Collection!

Discover Johnny the Monkey, the second mascot in a saga of premium playing cards that continues to surprise. Designed to captivate and intrigue at first glance, this deck breaks the mold of classic Bicycle Standards while maintaining their legendary quality. The subtle blend of timeless USPCC elegance and Johnny's mischievous gaze creates a tool that is reliable, robust, and delightfully mysterious.

For magicians, Johnny becomes much more than just an illustration: he's your ideal tabletop partner. His clever design and strong storytelling potential make him the perfect ally for creating distractions, generating impactful moments, and leaving a memorable mark on your close-up or micro-magic routines.

Collectors will instantly recognize him as the next centerpiece in an addictive quest. After Gino the Croco, Johnny the Monkey opens a new chapter in this line of charismatic animals whose silhouettes are gradually being revealed... Adding Johnny to your collection means moving towards a future must-have in the world of personalized decks.
