

Electric Deck - Bicycle Cards

The magician shows a deck of cards and begins performing spectacular flourishes such as the iconic and visually striking “cascade” and many others. Then he spreads the cards along his arm, throws them into the air... and catches them in mid-air-flight!

With this deck, you'll be able to perform beautiful flourishes with great visual impact.

- Made with original Bicycle cards.
- Completely automatic: no sleight-of-hand skills required.
