

## Diamond Cut Silk - White

The diamond-shaped scarf is a colorful accessory, beautiful to look at but above all useful. Its special diamond shape, will allow you to show a silk diagonally 60 cm as if you were showing a 45x45 silk... Actually you will have in your hands a silk that takes up much less space, and therefore can be more easily concealed.

100% pure silk!

- Our silks are best sellers in the world.
- Infinite uses in magic, from close-up to stage.
- The diagonals measure cm 50 x 22 . The sides measure 30 cm.
