

Vertiga Central Asia Edition Playing Cards

Aesthetics inspired by the cultural code and heritage of Suzani.

Back Design & The Art of Deception

Exquisite Back Design: A seamless fusion of centuries-old Suzani traditions and modern luxury aesthetics.

The Ultimate Magic Tool: Includes a signature Gaff card, engineered for an instantaneous, visual color change that defies logic.

Custom Aesthetic - A New Era of Detail

The Soul of the Silk Road: Every suit reflects a journey through history, merging modern graphic precision with timeless cultural motifs.

More than just a deck—a curated gallery in your hands, where every card tells a story of prestige and excellence.

A complete overhaul of classic pips and indices, meticulously balanced for visual impact and effortless playability.

Exclusivity in Every Line: Intricate patterns inspired by ancient architectural wonders, transformed into a bold statement for the modern performer.

A tribute to the primary treasure of Uzbekistan, weaving the legacy of "White Gold" into the very fabric of the design. Inspired by the traditional Pialah, symbolizing a culture where every encounter is a ceremony and every guest is a king.

Professional Excellence

The Cartamundi Standard: Premium Linen finish stock.

Visual Geometry: The intricate pattern is engineered to create mesmerizing fans and high-end flourishes.

A Collector's Essential: a rare intersection of cultural heritage and professional performance.
