

## Vertiga Viper 2 Playing Cards

**Mesmerizing Symmetry:**

Every line is optimized to create hypnotic fans and perfectly balanced flourishes.

**Minimalist Custom Faces:** Designed in sleek black to eliminate distractions and keep the focus entirely on the movement and pips.

**Premium Linen Finish:**

The gold standard of handling, ensuring durability and a smooth glide for every move.

**Skill over Style:** Designed by a professional illusionist with 15 years of experience.

**Elite Handling:** A finish engineered for extreme performance (cardistry and complex sleight of hand).
