

## Assassin's Creed Legacy Playing Cards - White Hidden Blade Edition

The Assassin's Creed Playing Cards are a tribute to the immersive universe of the renowned video game series that has enthralled gamers and history enthusiasts alike. Crafted with meticulous attention to detail, this deck captures the essence of stealth, strategy, and intrigue that define the Assassin's Creed franchise.

This HIDDEN BLADE Edition features a meticulously designed Hidden Blade tuck box accompanied by an extra case, adding an element of mystery and sophistication to your collection. The tuck box features the signature blade that appears in the Assassin's Creed series, imitating the game features.

### Extra Deck Sleeve

The extra sleeve as a cover, boasting intricate embossing and hot foiling, elevating the aesthetics of the deck. Within this edition, you will find 55 fully customized playing cards, each intricately crafted to embody the essence of the Assassin's Creed saga.

### Court Cards

The court cards in the Assassin's Creed Playing Cards deck are a tribute to the legendary figures from the Assassin's Creed universe. Each card features meticulously illustrated characters from the series, such as iconic Assassins and formidable Templars. The intricate designs capture the essence of these characters, showcasing their unique personalities and roles within the Assassin's Creed saga. From skilled assassins wielding hidden blades to enigmatic leaders donning elaborate robes, the court cards are a visual feast for fans of the franchise.

### Animated Playing Cards

Flip through the deck, and in the corner, you'll spot an assassin sprinting—just like in the iconic Assassin's Creed gameplay.
