

INVOCATION by Marcos Waldemar & Invisible Compass

Imagine controlling wine. Invoking anything you want through it.

You pour wine on a plate. The spectator can name any letter, symbol, card, or thought. You only need to blow, and the wine will begin to move on its own, revealing the information.

- Any dish
- Any wine
- Any time

Everything is borrowed.

thanks to this gimmick, everything is examinable both at the beginning and at the end.

This is your new every day carry reputation maker.
