

## **Bicycle - X Laura London Playing Cards**

Introducing the highly anticipated Laura London Red Playing Cards, Card Table Artifice Edition a collaboration between Laura London and the iconic Bicycle brand, known as the world's leading name in playing cards.

As the inaugural release in the London Series, these striking red and gold cards embody a unique blend of elegance and sophistication. With their borderless design, they are not only visually stunning but also perfect for cardistry, table legerdemain, magicians, and gameplay.

Striking red and gold color palette that blends elegance with bold visual appeal.

Borderless design crafted for smooth visuals during flourishes and displays.

Ideal for cardistry, offering fluid movement and eye-catching motion.

Perfect for table legerdemain, with handling tailored to sleight-of-hand performers.

A strong choice for magicians, combining aesthetics with practical performance.
