

Underhanded Open Travelers (Red)

This is a reimagining of David's Open Travelers where the cards vanish from your hand and appear under your friend's palm.

You begin by cleanly showing the Ace through Four of Hearts. Your friend places their hand over the Ace while you make the Two vanish and appear under their hand.

This is repeated with the Three. The Four is placed face down in the middle of the deck and it too vanishes to join the Ace, Two, and Three of Hearts under your friend's hand. All the cards under their hand are examinable.

The exact same routine can be performed with the cards traveling under impossible locations like under plates, napkins, wallets, phones, or any item larger than a playing card. You can also use the system to present the traditional Open Travelers.

Comes with a gimmicked card (Blue Back Bicycle) and access to an online video tutorial by Meir Yedid. Use your own Blue Back Bicycle deck. A Meir Yedid Magic Product.
