

Werewolf - Pokerdeck

Ever play a round of Werewolf, only to have someone forget their role halfway through? Or constantly get confused-"Wait, is the Witch a Queen or a King?"-which ruins the game's rhythm and forces a restart? It's beyond frustrating!

Ditch the standard playing cards. This 3rd Generation Werewolf card set, a collaboration with HKW (Hong Kong Werewolf League), is the ultimate party savior. We've combined the functionality of traditional playing cards with the depth of Werewolf. Every card clearly states its identity-it's professional, intuitive, and incredibly fun!

Three Essential Selling Points:

Hong Kong Brand & Original Artwork: Featuring 100% original artwork, every single card is an exclusive, custom design with a unique artistic style. Plus, it's personally endorsed by veteran players from HKW-professional quality guaranteed!

Waterproof & Crease-Resistant: Made with PVC materials and high flexibility. You no longer have to worry about "clumsy" friends creasing a card to mark it. Built to withstand even the most intense sessions!

The Ultimate Roster: We heard your requests for more roles and new setups! This edition features a massive 46 different roles, including refreshed designs for some classic characters. Your game variety just leveled up!

Gameplay Instructions: The Ultimate Werewolf x Poker Hybrid

Stop lugging around multiple decks-this one seamlessly blends playing cards with Werewolf mechanics:

1. Werewolf Mode (The Pro Experience):

- **At a Glance:** Every card clearly displays the character name and role description. Even beginners can instantly recognize if they are the Witch, the Seer, or a Werewolf.
- **Fast-Paced Action:** No more relying on memory or guessing which card

represents which role. The flow of the game remains smooth and uninterrupted-no more awkward pauses or game-stalling confusion!

2. Playing Card Mode (The Versatile Classic):

- Multifunctional: When you're done with Werewolf, these function perfectly as a standard deck of cards. Whether you're playing Big Two, Poker, or a drinking game, one deck covers it all!

Key Features:

- Collaboration Guarantee: Designed under the strict guidance of veteran HKW players, ensuring top-tier logic and balance.
- Durability: Professional-grade waterproof material means you don't have to fear spills during intense drinking games-just wipe them clean!
- For Everyone: Whether you're a hardcore Werewolf strategist or just looking for a reliable deck to start a game anywhere, this is your go-to choice.

Pro Tip

: Eager to try new setups? With 46 roles included, there are countless hidden strategies and combinations waiting to be discovered. Gather your friends tonight and start a high-stakes, professional-level Werewolf session with the best gear in the game!
