**Magic is fun.  
But rent is due.**

You're good at magic, but are you making money with it? The truth is: performing for friends, family, and the occasional gig won't pay the bills. If you've ever wondered how to turn your love of close-up magic into a real, reliable income - this is the system you've been waiting for.

**Strolling for Dollars** is the straight-shooting, no-fluff guide to becoming a paid magician. Not "Someday." Not "If You're Lucky." NOW.

Written by Las Vegas Headliner Jason Bird, a magician who supported a family of five by strolling from table to table for over one million people. This book gives you the exact strategies, tactics, and battle-tested advice that actually works in the real world.

### **Inside you'll discover:**

- What to wear
- What effects to choose
- How to build a killer walkaround set
- How to get booked consistently
- How to build a system of pocket management
- How to nail that approach, anywhere, anytime, with anyone
- How to deal with hecklers
- What to charge
- How to negotiate
- All of the business systems you need to create a thriving magic career

This isn't theory. This is the playbook from someone who's done it - thousands of times. If you're ready to stop dreaming and start earning.

If you're tired of wondering how other magicians "make it" while you're stuck on the sidelines... if you want to turn your deck of cards into real dollars... This book is your first real gig.

**Strolling For Dollars** isn't just for those chasing a full-time career. It's for anyone who wants to elevate their strolling, whether you're a hobbyist, a part-timer, or a seasoned pro looking to sharpen your edge.

Inside you'll find the hustles, the landmines, and the quiet skills nobody talks about - the stuff that separates merely doing tricks from being... unforgettable.

Let's get to work.
