

Coin Vault Case and Display Set (Brown)

Introducing **Coin Vault Dedicated Storage & Display Case - The Ideal Choice for Collecting and Performance**

Specially designed for the Coin Vault series, it combines exquisite display with portable storage, balancing collection aesthetics and practicality.

Showcase:

- Double-sided flip display base: One side lies flat to fit the storage case for easy portability; the other side is optimized for display, ideal for long-term showcase in cabinets. Two-in-one design.
- Black acrylic exterior: Premium texture, clean lines that highlight coin details and collecting style.

House:

- Magnetic snap closure: Smooth open-and-close action for convenient access while providing reliable protection.
- Delicate rounded edge design: The rounded edges are comfortable to the touch and help prevent bumps and scratches, offering a more refined feel for daily handling.

From desktop display to on-the-go performance, one set handles every scenario with ease.
