

## Black Roses White Gold Foil - Pokerdeck

Magicians and mentalists, take note: The **Black Roses White Gold Playing Cards** have been reimagined in their most luxurious form yet. Featuring stunning gold foil accents, this edition perfectly blends high-end elegance with professional utility. Limited to 1000 decks with a numbered seal sticker.

Mind-reading has never felt this effortless. The fully marked reader backs are incredibly easy to decipher at a glance, yet remain flawlessly hidden within the intricate floral artwork. While the deck appears to be a mere masterpiece of design to any layman, it is a precision tool crafted for the modern performer.

Every deck is packed with features for professional miracles:

- Luxurious Gold Foil: Premium accents on the tuck case and both sides of the deck, catching the light with every move.
- Fully Marked: Deceptive reader backs for instant, effortless information.
- Magic Essentials: Includes a blank face card, an unmarked 2 of Diamonds duplicate, one-way faces, and built-in reveals.
- Elite Handling: Printed on premium 280gsm Japanese paper with a traditional cut, offering a refined feel and exceptional performance right out of the box.

*"The BEST marking system in a deck I've seen that was creative as well as diabolically deceptive."*
