

## **Blade of Animation Theater Version Card V2 Back Bromide (1000 deck Limited edition )**

This new official series of trading cards dedicated to Demon Slayer: Kimetsu no Yaiba focuses on Kyojuro Rengoku and the most iconic scenes from the movie “Mugen Train” — also known among collectors as Mugen Train, Infinity Train, or the Train of Infinity.

The product belongs to the “1000 Deck Limited – Blade of Animation Theater Version Card V2 – Back Bromide” line, a limited-edition series.

The set includes a total of 56 cards:

- 52 base cards
- 2 bonus cards
- 2 special cards

The cards are produced with high-quality bromide printing, featuring images taken directly from the movie.

The selection includes character portraits, action scenes, and key moments from the film, with a very polished visual presentation and strong collectible appeal.

The promotional images show several examples of the cards, including illustrations of Rengoku and scenes from Mugen Train, highlighting the print quality and the variety of the set.
