Fortnite - Premium Playing Cards

Drop in to your next game night with premium playing cards that will ensure a Victory Royale!

Where We Droppin'? Squad up and play

Gather 'round the cozy campfire in the middle of Loot Lake or full send a hot drop into Tilted Towers with your squad when you load into your next game night. Featuring vibrant colors and OG characters that millions of gamers worldwide have come to know and love, you'll want to run it back with these playing cards!

That's a Victory Royale!

Whether you've been playing since day one or just grabbed your first Victory Royale, ready up for your favorite card game with these premium Fortnite playing cards, featuring fan-favorite characters and references to the iconic game series.

Thank The Bus Driver! Dubs only

If you don't thank the bus driver, you'll be one-shot with no med kits or chug jugs for the rest of the match. We wouldn't want that, would we? These playing cards are filled with iconic imagery and easter eggs that any seasoned veteran would recognize. Can you spot all of the hidden references?
