

Carat DS1 Mini Deck Sleeves (5 Pack)

Carat Case Creations presents the **Carat DS1M Mini Deck Sleeve**, an affordable and durable display and storage solution for your mini decks.

The **Carat DS1M** is made of clear, archival safe PET, allowing full viewing of your deck from all sides while providing good protection against knocks and bumps. It fits most mini decks from the major playing card printers (unfortunately does not fit the taller Legends mini decks, i.e. Flea Circus by Dan and Dave) and its low profile allows you to store your decks as you normally would on your shelf, in your drawer, in storage boxes or anywhere else.

The **Carat DS1M** is extremely light and comes unfolded to make it easy to ship. Once ready to use, simply peel off the protective film, fold the flaps together and assemble the Deck Sleeve.

With the **Carat DS1M**, you no longer have to worry about your deck or tuck getting all banged up in your pocket or daily carry bag. It's also an affordable way to protect a large number of decks while still displaying or showing them off to your friends!

Carat Card Cases by Carat Case Creations are the preferred playing card storage and display cases of discriminating collectors and designers. Aside from its regular production cases, Carat Case Creations has worked with many of the top designers to create custom cases, including, Butterfly Playing Cards, Rick Davidson, Midnight Playing Cards, Mint Playing Cards, Stockholm 17, Thirdway Industries and Vanda Playing Cards.
