TCI Clubhouse - Deck Specs:

- Pure Luxury - these cards feature gold foil on the card backs + tuck boxes whilst the tuck case also has detailed embossing.
- Limited Editions - each standard deck is limited to 500 copies with a number seal individually numbered between 001-500.
- Perfect for Card Games, Magic & Collecting - The traditional card design lends itself towards magic and game play but the stunning tuck box and number seals are also perfect to admire unopened if you like to collect limited edition decks.
- Classic & Modern Design - This deck was designed with traditional features in terms of familiar court + number card layout, but with a modern and elegant twist.
- Designed by Alex of A. Haines Playing Cards - The same creators of Albatross, Golden Eagle, and Love & Retribution Playing Cards.
- Poker-hands card that details the 10 different hands in a Texas Hold'em game
- Quality Printing - Kingstar have printed these decks to perfection! The foiling they produced was sublime, the embossing also fantastic. The cards handle well and you will not be disappointed!
