

Big Ben Silver by Iarvel Magic

The **Big Ben**, an icon synonymous with London itself, stands as one of the most celebrated landmarks in the world. Its unmistakable silhouette crowned by the iconic clock is instantly recognizable and ranks amongst the most photographed landmarks globally.

Rashaun Chan, our creative director, was no exception to those who yearned to witness this magnificent monument firsthand. For years, he dreamed of standing beneath its grand presence, captivated by its timeless elegance. Finally, the day arrived when Rashaun found himself gazing up at Big Ben, the chimes resonating through the crisp London air. As he stood there, absorbing every detail of its intricate architecture and majestic aura, a spark of inspiration ignited within him. The combination of tradition and grandeur sparked a brilliant idea—one that would blend magic with heritage, leading to the creation of our very own magical version of the **Big Ben**.

Integration Into the IARVEL ecosystem: Featuring the IARVEL Watch at its core, **Big Ben** seamlessly integrates into the IARVEL ecosystem. It can be effortlessly controlled through various methods, including the IARVEL Remote Control, the IARVEL App, and the IARVEL Pad.

KEY FEATURES:

- **PERFECT FOR STAGE PERFORMANCES:** Big Ben's optimal size makes it an outstanding centerpiece for stage performances and those that involve a number of spectators.
- **THE IARVEL WATCH NANO:** Despite its grand appearance, Big Ben houses a small yet powerful variation of the IARVEL watch, i.e. the IARVEL nano watch, offering all the functionalities of a full-sized model within a sleek, miniature design.
- **ELEGANT HOME DECOR:** When not in use, the Big Ben transforms into a sophisticated decorative piece, resembling a cherished souvenir that complements any living space.
- **COLLECTOR'S TREASURE:** Blending historical significance with magical allure, Big Ben is a coveted addition for collectors, symbolizing both heritage and

quality magic.
