

CaterFly by Magical Project

Do you perform magic for children and find it hard to present your classic tricks with normal cards?

If so, we've come up with Caterfly, a simple, fun and visual way to perform the crazy card trick with caterpillars that turn into beautiful butterflies!

With Caterfly, no more complicated cards for kids to remember.

FEATURES:

- Magic card holder included.
- Cards specially printed by USPCC with Bicycle Rider Back.
- Easy and improved versions explained in English and French.
