

Appearing Jumbo Wand

The magician walks onstage, takes off his top hat, and pulls out a magic wand over 2 meters long!

The wand has excellent rigidity, so it can even be held horizontally.

You can produce it not only from a top hat, but also from a paper bag or the pocket of your jacket. All it takes is a little imagination, and the trick is done!

Guaranteed laughs and amazement!

- The wand is 223 cm long and approximately 4 cm in diameter.
- The wand is well made, and the trick requires no skill.
