

Sweet Cosplay Show - Azure Summer - Pokerdeck

Blue summer + Beautiful girls = Wonderful memories of youth!

We have been planning for a long time is finally coming... The project started three years ago. Originally, we only wanted to create a set of anime-style theme decks, but later, countless new inspirations emerged, and it eventually became the current final version - A unique youthful anime style! It describes the youthful stories of several girls with distinct styles!

Join the sweet summer costume party with the cute girls!
