

Ultraman Tiga by Room One - Pokerdeck

Introducing the **Ultraman Tiga Playing Cards!**

Made for "Ultra" fans, these cards are a tribute to Ultraman Tiga's most iconic forms and moments, brought to life through stunning artwork and housed in a premium soft touch finish tuck box with foil accents you will be proud to own.

The deck features illustrations of Ultraman Tiga across all courts, aces, and jokers, showcasing his legendary power types and heroic presence in every card.

Other key features include:

- **Collector's Tuck Box**

This box is a true masterpiece, a bold statement piece, elevating any collector's shelf or gaming space with its sleek, high contrast design.

- **Premium Casino Standard**

Cardstock Manufactured using top grade black German core paper and finished with a premium linen texture, these cards offer superior durability, handling, and a satisfying shuffle. Perfect for both serious card players and collectors.

- **Versatile Gameplay**

From game nights to display shelves, these cards are crafted to serve multiple purposes: play, admire, or showcase. For Ultraman Tiga fans, they are more than cards. They are a piece of the action in your hands.
