

Band Type Infinity Writer Thumb Tip by Vernet

For decades, writers have been essential tools for magicians and mentalists.
But they've always had one limitation:
They run out.
Not anymore.

INFINITY WRITER is the modern evolution of the Writer, now with an everlasting lead.
No refills.
No broken leads.
No replacements.
Just write.

Available in two different models:

- Band Type: minimal, flexible, ultra-grip
- Thumb Tip: stable, controlled, perfect for precision writing.

The secret?

A permanent writing core that performs like a REAL PENCIL LEAD, but never needs replacing.
It looks like pencil.
It writes like pencil.
But it never ends.

FEATURES

- Permanent writing lead
- No refills ever needed
- Writes like a real pencil
- Perfect for close-up and mentalism
