

Year of the Horse Collection Set by TCC Fashion

Every New Year, we embrace hopes and expectations, sending heartfelt blessings for the future.

The 2026 Year of the Horse Exclusive is here for you!

The gift box features a distinguished red and gold color scheme, symbolizing *"good fortune at the forefront and abundance of wealth."*

Gilded gold meets vibrant red in a version exclusive to the gift box, with extensive foil stamping that radiates a warm luster as light and shadow play across its surface.

The noble combination of gold foil and embossing channels the galloping power of the steed into a restrained and orderly visual structure-subtle yet commanding.

The card backs are enhanced with a luxurious cold-foil technique, making the horse appear to leap forward, mane flowing and strides vigorous, embodying the Year of the Horse's spirit of progress and auspicious meaning.

As a symbol of luxury, exclusive gilded edges are indispensable; all three decks within the gift box feature matching gilded-edge treatments.
