

Portal Walnut Boxset by Ark - Pokerdeck

Premium wooden box packaging, supreme collectible value

This gold arched deck comes with a custom portal tuck box and rich illustrated storyline, boasting multiple display modes. For the first time, elaborate metal detailing is adopted to magnify the grandeur of the golden portal. Paired with freely combinable base structure, the set presents stunning visuals from all perspectives. Crafted with premium vortex holo foil and elegant gold painted edges, it gathers ARK's top-tier craftsmanship. Housed in a wooden box with dazzling golden finish, it is a highly valuable collectible.

- Gold arched deck & custom portal tuck box
- Vortex holographic foil + gold painted edges
- Legendary illustrated storyline
- Multi-scene display configurations
- Exclusive large-scale metal structure design
- Freely assemble-able base for all-angle viewing
