

Portal Artist Boxset by Ark - Pokerdeck

Limited to 999 sets with exclusive serial numbers, this premium 2-deck collection features a legendary themed storyline. Paired with a foldable artist boxset that supports two display modes, it acts as storage, showcase and story carrier all in one. An elaborate art book is also included, recording the full creative process from initial inspiration to finished artwork. The decks adopt stunning vortex holographic foil paired with premium purple painted edges, bringing mysterious magical vibes and layered visual depth. The bonus standard-size deck blends classic black-and-white sketches with vivid violet arcane details for a unique artistic charm.
