

Alabaster Venus Luxury by TCC Fashion - Pokerdeck

Introducing **White Special Edition Deck** for Alabaster Playing Cards by TCC Fashion

This edition has 4 different decks:

- Alabaster Deck - David
- Alabaster Deck - Athena
- Alabaster Deck - Michelangelo
- Alabaster Deck - Venus

At the heart of Alabaster lies the ultimate mastery of light and shadow. This is a further, in-depth evolution of our craftsmanship.

We push both texture and tactility to a higher dimension -- through more exquisite light and shadow construction, the optimal lighting angle is naturally achieved.

Finally, we incorporate Holographic foil into the card faces to enhance the presence of each relief sculpture figure. It never steals the spotlight, but instead perfectly accentuates the core theme.
