

Alabaster Venus HOLO by TCC Fashion - Pokerdeck

Introducing **Holographic foil edition deck** for Alabaster Playing Cards by by TCC Fashion

This edition has 4 different decks:

- Holo Edition Deck - David
- Holo Edition Deck - Athena
- Holo Edition Deck - Michelangelo
- Holo Edition Deck - Venus

Here, you can experience an even more dazzling light and shadow system.

Breaking away from pure white tones, the design adopts vivid holographic foil to refresh visuals. Four classic figures feature exclusive color schemes, with holographic foil interpreting light and shadow stories.

Card backs inherit the series' iconic symmetrical carved structure, showcasing the orderly texture of classical stone sculpture. Relief-shaped sculptural patterns on card faces boast sharp lines and fine textures. Flowing iridescent holographic backgrounds endow solemn sculptures with dynamic artistic vitality shifting with light.
