

Ancient Relics Gilded Collection Box Set by 52 Musee

Numerous cultural relics, personified as messengers, share their unique stories with you.

Delicate, symmetrical patterns weave across the exterior of the box like brocade, tracing the silhouettes of ancient architecture and traditional motifs—pressing the imprint of Eastern aesthetics onto paper.

The anthropomorphized Qing dynasty cloisonné shell-shaped tripod basin and the Ming dynasty wucaï fish-and-algae lidded jar stand as guardians on the box, like two anchors fixed within the long current of civilization.

Upon opening the box, five gilded decks are revealed in orderly alignment, like a miniature gallery of civilization.

Imprints of state ritual, religious belief, material craftsmanship, and scholarly spirit unfold within; the Special Edition gathers these threads into a single, unified conclusion—bringing the collection to completion.

All decks feature **gilded edges**.

Special Edition is numbered 1 of 2026, with 001-500 produced as gilded editions.

All other gilded decks are uniformly numbered 1 of 500.
