

## FULTON PRESENTS STEAMBOAT WILLIE PLAYING CARDS

These are the coolest throwback playing cards that can be yours just in time for summer barbecues. Completely holographic foil back designs housed in a holographic foil embossed tuck box.

Each court card contains a different character image from the archives of Steamboat Willie--the iconic cartoon released in 1928--and now part of the American Public Domain.

These make a wonderful gift and are sure to please kids of all ages--including obsolete children--AKA adults.

The castle grey card box paper is handmade in England and features unique pressed characteristics that make each deck unique. These are not blemishes but unique attributes to the soft feeling paper.
