

Davy Jones Key by Murphy's Magic

They say every ship that vanishes beneath the waves carries its secrets down to Davy Jones' Locker... but some secrets don't stay buried..

From the depths of legend comes **Davy Jones' Key**.. a relic said to have been recovered from a wreck long forgotten.

Cold to the touch. Heavy. Weathered by time and tide. And yet... still moving.

Place the key gently across your palm.

At first, nothing.

Then slowly... impossibly... it begins to turn.

Not with force. Not with haste. But with the deliberate, haunting motion of something unseen. Something that remembers.

Tell the story of cursed treasure. Of sailors who never made it home. Of a key that no longer belongs to the living... and watch as your spectators lean in, waiting and hoping to catch what moves it.

And when it finally turns, they won't applaud...

They'll go quiet.

Because **Davy Jones' Key** doesn't feel like magic.

It feels like something you weren't meant to find.

Crafted for performers who understand that the strongest magic isn't what you see, but what you feel.

This is a piece designed for intimate, unforgettable moments.
