

Jaws Playing Cards by Theory 11

Premium playing cards celebrating 50 years of the iconic Steven Spielberg summer blockbuster!

Something Lurks Below... 50 years of jaws

Just when you thought it was safe to shuffle again... JAWS Playing Cards dive deep into the rich ocean of history and fanfare of one of the most iconic films of all time, celebrating the movie that redefined suspense, and featuring all original artwork inspired by the sun-soaked landscape of Amity Island.

WELCOME TO AMITY ISLAND

You're gonna need a bigger deck of cards! Relive the hunt with richly illustrated court cards showcasing Brody, Quint, Hooper, & more of your favorite characters! Relive every moment of the film when these cards are brought out for play.

The Ultimate Catch - Make waves at the next game night

Perfect for movie nights with friends and family, display shelves, or any film fanatic, JAWS Playing Cards are a must-have. Whether it's your favorite film or you're discovering it for the first time, each card captures the adventure and enduring impact of a true classic.
