

The ESP Project by Nader Hanna and Brent Geris (Blue)

The Magic Apple presents **The ESP Project by Nader Hanna and Brent Arthur James Geris**

This is an ALL NEW ESP Project that teaches SIX COMPLETE ESP ROUTINES! These are classic routines that Nader and Brent have updated and explain in full detail!

You'll get a set of 25 ESP cards printed by the USPCC on RIDER BACK Bicycle playing cards! Poker Sized cards!

The Routines include:

Will The Signs Match - The spectator deals and mixes two piles of ESP cards, moving one card to each letter in the words WILL THE SIGNS MATCH, and at the end each pair is an exact match!

Symbol Stack - ANY card is chosen from the entire deck of ESP cards and without any questions, or fishing, the magician INSTANTLY knows the sign! This can be repeated over and over! No FORCE!

The Last Card - This is a take on the PATEO Force where the spectator makes ALL the decisions eliminating signs until there is ONE left, which matches a prediction that is written on the BACK of the card!

Triple ESP Miracle - The spectator choses THREE ESP signs, makes there decision FIRST and the magician matches the sign

PLUS There are 2 other strong ESP tricks that are included:

ESP-Ecially Card Magic and The Power of Three! Both are easy to do and don't require ANY additional materials, markings or extra cards!

No extra cards are used.

No arts and crafts!

Everything needed is included in this incredible package!
