

Paisley Ton sur Ton Poudre Orange Foil Designer's Choice

Over the years, since the debut of the first Paisley in 2018, Paisley Playing Cards from the Dutch Card House Company has evolved into a family of unique editions, from the Workers, Metallics, and Magical Collection, to the Christmas, Royals, and Ton sur Ton series.

Designed especially with magicians and card enthusiasts in mind, the deck featured an elegant aesthetic and a clever marking system that quickly became a hallmark of the Paisley brand.

Now it is time to reveal this special member of the Ton sur Ton family. "Ton sur Ton" a French fashion term meaning tone-on-tone, the art of subtle contrast, where similar shades blend together to form a rich, harmonious whole.

Meet the **Paisley Ton sur Ton POUDRE ORANGE Designer's Choice**; Vibrant and refined, the stylish, radiate warmth, confidence, and elegance in every shuffle.

A print run of only 150!

This premium deck features a sideways tuck case wrapped in luxurious embossing and vibrant orange foil details creating a visual and tactile experience that commands attention from the very first glance.

Like its siblings, it's fully marked with the same discreet and intuitive two-way marking system, offering professional functionality within a collector's masterpiece.
